D's Lil Rascal PD *RAE2, CGC, NAJ, OJP, NAP, NFP, NAC, O-HP-N, NJC*

With a dachshund named Rascal, you know he does his best to live up to his name! Like most dachshunds, he has a mind of his own and is not afraid to use it. At the tender age of 4 months, it was time for obedience training!

Rascal did his best to do the right thing, however he would rather give everyone a kiss than sit on command! After a couple of classes, the instructor set up a jump for a little fun. No one thought little Rascal would jump. Not only did he jump, he looked forward to it every week!

Rascal is now five and is competing in agility and Rally O. He has earned four AKC agility titles and three NADAC agility titles.

By the way, he did finally see that obedience was "OK", and has earned his a Rally Advanced Excellent 2 title. He is also the number one dog in the country for the Hound Group in Rally combined for 2008.

Rascal is looking forward to many fun years of competition in Agility and Rally!!
